Road Warrior.

The Brandt Work Ready™ Deckover Flatbed Trailers delivers superior capacity to get your equipment where it's going, every single day. This rugged model works as hard as you do, while taking all the punishment you can dish out.

① Built to Last

Brandt trailers are purpose-built to maximize your productivity from dusk till dawn, until the job gets done:

- A Work Ready™ frame built to reduce frame deflection under load, enhancing vehicle stability.
- Three available ramp configurations built to handle full equipment weight, enabling you to optimize your trailer for the task at hand.
- Reliable design and long-lasting components reduce total cost of ownership.

② Easier to Operate

These trailers are designed for fast, effortless loading so you can start working sooner:

- Bolt-on key components are easily replaceable for fast maintenance, making this a fully serviceable design for maximum uptime.
- Full-width ramps option accommodates any kind of equipment without hassle, ensuring superior versatility.
- 10,000 lb jacks are included as standard equipment to make coupling an uncoupling trailer effortless.

③ Safer

Safety is critical on the jobsite, so these models are designed with key features to maximize operator protection:

- Optional undercarriage toolbox, lower side step, and hydraulic ramps allow operators to work safely.
- Dependable axles ensure positive hitch weight distribution and overall stability when hauling concentrated heavy payloads.
- Fir decking provides a harder, longer lasting surface, capable of standing up to more abuse.

Powerful Value. **Delivered.**
